reconstruction and (Hubbard) Bike path

Background:

At the October 18th, 2022 City Council meeting, Council tabled two resolutions (items were tabled until November 1st, 2022) following a public hearing specific to Project(s) #38222 and #45022. Staff will have materials available for discussion, but the special work session is intended for Council discussion.

Staff maintains the recommendation to approve the resolution specific to the improvements. Further, staff recommends Council set a new public hearing date specific to the assessments.
