RE: Tobacco Recap

The ordinance was tabled until November 7, 2017.

Part of the licensing ordinance needs to be updated and clarified as well as reducing criminal penalties for youth. Legal staff will be consulted on issues raised and a document will be ready for 1<sup>st</sup> reading which seems to have support.

Flavored tobacco – not unanimous.

- If advertising and displays for flavors are addressed, it wouldn't need to be in tobacco only stores? Will need to discuss further with legal team regarding restriction of commercial speech. May need to be voluntary step by vendors vs. requirement. No action to restrict, unless needed.
- Should vaping be addressed differently?
- *Minneapolis definition of flavored tobacco attached.*

Packaging – support for restriction to parallel Minneapolis and Brooklyn Center. Brooklyn Center requires packages of at least 5 cigars or if sold signally a price of no less than \$2.10 before sales tax. Minneapolis requires packages of at least 3 cigars priced at \$2.60 each; or 4 for more minimum \$10.40/package. *Excerpts from ordinances attached*

T-21 – split.

- Set up as a separate ordinance which would be considered as 2<sup>nd</sup> action.
- Could have later implementation date.
- Could have 1<sup>st</sup> reading and table 2<sup>nd</sup> reading until other cities catch up to show support of movement?

**Next Steps:**

Before staff move forward on ordinance(s) for consideration on November 7<sup>th</sup>, we want confirmation that efforts are moving in the right direction.

## Brooklyn Center

It shall be a violation [of this section] for any retail establishment to sell, offer to sell, or distribute a single cigar unless the cigar is sold in an original package of at least five cigars, provided that:

- a) This restriction shall not apply to any sale, offer to sell, or distribution of a single car that has a retail sales price of no less than \$2.10 before sales tax.
- b) Cigars to which price prohibitions or discounts apply shall not be excluded from this restriction.

## Minneapolis

No person shall sell, offer for sale, or otherwise distribute cigars in original packages containing three or fewer cigars for a sale price, after any coupons, multipack or buy-one-get-one promotions, or any other discounts are applied prior to applicable sales taxes being imposed of less than \$2.60 per cigar contained within. In addition, no person shall sell, offer for sale or otherwise distribute cigars in original packages of four or more cigars for a sale price, after any coupons, multipack or buy-one-get-one promotions, or any other discounts are applied prior to applicable sales taxes being imposed, of less than \$10.40 per package.

Minneapolis updated flavored tobacco definition – [note mint, menthol, wintergreen restricted to off-sale liquor stores]

Flavored tobacco product means any tobacco product that contains a taste or aroma other than the taste or aroma of tobacco, that is distinguishable by an ordinary consumer either prior to or during consumption of a tobacco product, including but not limited to, tastes or aromas of [menthol, mint, wintergreen,] chocolate, vanilla, honey, cocoa, or any candy, desert, alcoholic beverage, fruit, herb, or any spice. A public statement or claim made or disseminated by the manufacturer of a tobacco product, or by any person authorized or permitted by the manufacturer to make or disseminate such statements or claims, that a tobacco product has or produces taste or aroma other than tobacco may be one of the methods used to determine that the product is a flavored tobacco product, and shall to the extent permitted by law, create a rebuttable presumption that the product is a flavored tobacco product.
