3. OLD BUSINESS

A. Ice Cream Social Recap:

Kile: Rock painting went well.

John: Excited that we painted over 100 rocks.

Would love to do it again next year.

Kile: Potentially have little bags for people to carry their rock home next year.

Have a dedicated table for rocks to dry.

Suggested having paint pens as well.

Fuglie: Need more rocks next year and more water to rinse brushes.

Bazyk: Better paint next year.

John: We should have some handouts next year. There were a lot more seniors at the event this year.

Kile: Maybe an information board instead of handouts.

Entire Senior Commission: suggests having a shaded seating area for participants. A lot of people ended up sitting in our area because we had shade and seats. It got in the way of the craft we had planned.

B. Copperfield Presentation in August

Bazyk: Confirming date for the second Copperfield Hill presentation.

C. Welcome Packet and Map of Attractions

Suggestion from first Copperfield Hill presentation. New residents would like a reference for shops and attractions in the City. Senior Commission would like to include: shops, restaurants, medical stores and clinics, grocery stores, museums and galleries.

John: Would like to have the map to hand out at the Chamber Meet and Greet.

Bazyk: Working with City Communications to create the map.

4. NEW BUSINESS

Fuglie: Meet and Greet plan. Have information on the Senior Commission and applications.

Kile: No meeting in September since we are going to be at the Meet and Greet.

Fulgie: Motion to cancel September meeting.

Matt: Attempting to schedule presentation. Struggling to connect with organizers at Copperfield Hill.  
Fuglie: Offered to help and requested contact information from Matt.

Kile: Suggested cutting Senior Commission meetings in Dec, Jan and Feb due to poor weather conditions and difficulty for Seniors to travel during these times. Summer is much better to meeting and easier to get around. We should add meeting back in for June, July and August.

Vote: 3-0 to cut winter meetings and add summer meetings.

---

**Background:**

The Senior Commission voted not to meet for the months of December, January and February. November will be our last meeting of 2025.

RE: Second Copperfield Visit

---

**Background:**

The Senior Commission has expressed interest in presenting to our local senior groups. They presented successfully to two groups in 2025, Lilac Village and Copperfield Hill. A second trip to Copperfield Hill was discussed. The management at the second building didn't get us on the schedule for August.

**Analysis:**

Does the Senior Commission want to try and schedule a visit in November, or save this to start the year in March of 2026?
